

## COPYRIGHT/PHOTOGRAPHY DECLARATION FORM

For copies of items held in the University of Huddersfield Archives

Please supply me with the following:

Collection Reference	Item Reference	Brief description of document and/or page numbers

I declare that, for any copies of documents or other material obtained during my visit:

- I will not supply a copy of it to any other person;
- I require copies for the purposes of non-commercial research/private study only and will not re-use them for any other purpose/s;
- If I wish to use these copies for any other purpose, including all types of publishing, then I am aware that responsibility remains with me to obtain permission from the copyright holder and other rights holders if applicable;
- I will maintain a written record of all items copied, which will be retained for seven years in case of any dispute over copyright or other rights;
- I will treat original archival material with care, use any preservation equipment as directed, ask if unsure, and follow the Search Room and Document Handling Guidelines.

Additionally, where I take my own copies:

- I will pay the associated costs of conducting my own photography (£7 p/day, £10 p/week);
- I will not film in the archive. I will only photograph archive material, and not staff or visitors;
- When taking my own photographs, I will ensure the device is in silent mode and the flash switched off, and the image resolution does not exceed 150dpi. I will not use special equipment, like tripods or specialist lighting.

Or, where the archive service supplies copies:

- I have not previously been supplied with a copy of the same material;
- To the best of my knowledge no other person with whom I work or study has made or intends to make, at or about the same time as this request, a request for substantially the same material for substantially the same purpose.

I understand that if this declaration is false in a material particular, the copy supplied to me by you will be an infringing copy and that I shall be liable for infringement of copyright as if I had made the copy myself.
